Hello,

I am submitting this appeal on behalf of People for People Charter School. You can reach me on my cell at any time at 215-801-7256. I have provided the supporting document to show the total amount paid and the discounted amount, which was never received of \$6,273.59. I was told this was cancelled due to the full amount of documentation not being submitted. At that time Jennifer (signature seen at the top of the document as the managing agent) was transitioning out of her position here. I was wondering how I can go about receiving these funds, which we were approved to receive in FY14-15? Please let me know if there is anything else you need me to provide. I have confirmed all of the payments have been made to Verizon and am waiting for the reimbursement. Thank you so much for your help.

Thanks,

## Explanation of Charges

### Verizon Wireless' Surcharges

Verizon Wireless' Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless' Other Charges and Credits

Includes charges for products and services, and credits owing.
